FROM

THE HON'BLE MR. L. W. REYNOLDS, C.I.E., M.C., I.C.S.,

Chief Commissioner, Ajmer-Merwara.

To

THE POLITICAL SECRETARY TO THE GOVERNMENT OF INDIA.

Dated Camp Ajmer, the 26th February 1928.

Report on the Administration of Ajmer-Merwara for 1926-27.

SIR,

I have the honour to submit the Annual Administration Report of Ajmer-Merwara for the year 1926-27, compiled by Lt.-Colonel R. J. W. Heale, O.B.E., I.A., Commissioner of Ajmer-Merwara, with my remarks thereon embodied in Part I of the Report.

I have the honour to be,

SIR,

Your most obedient Servant,

L. W. REYNOLDS,

Chief Commissioner, Ajmer-Merwara.

PART I.

GENERAL SUMMARY.

1. **Agricultural Summary.**—The average rainfall throughout the district was 27 inches 31 cents against a normal average of 21 inches. The Rabi crops, depending on the rainfall of the preceding year, were poor, but the Kharif crops were good, the outturn being over 12 annas in the rupee in the Ajmer and Todgarh Tehsils and bumper in the Beawar Tehsil.

2. **Revenue and Expenditure.**—Imperial income and expenditure (including Forests) as shown in the Report were Rs. 16,69,097 and Rs. 29,45,949 as compared with Rs. 19,24,144 and 25,87,284 in the previous year. As stated in the preceding year's Report, however, these figures are misleading since figures for expenditure on irrigation and civil works, which are included in the Public Works Department budget are not available to the Commissioner. Moreover, they include certain items, both on the receipt and expenditure sides, which cannot be legitimately considered as part of the Ajmer-Merwara Budget, *e.g.*, an item of Rs. 12,92, 5 on account of interest paid at the Ajmer Treasury on Promissory notes and War Bonds, etc. A close examination shows that Ajmer-Merwara as an entity continues to show a small deficit.

3. Excise collections fell from Rs. 7,14,182 in 1925-26 to Rs. 6,88,556 during the year under report. The decrease is due to the decrease in demand for liquor among the lower classes owing to fewer marriages and a reduction in the earnings of labourers in the Railway Workshops at Ajmer by the curtailment of working-hours and the stoppage of overtime. The total collections of Income and Super Taxes amounted to Rs. 2,03,981 as against Rs. 2,87,974 in the previous year, the decrease being due to trade depression. The cost of collection was 4·33 per cent. of the total collection. The incidence of Excise and Income Tax per head of population was Re. 1-6-2 and Re. 0-6-6 respectively.

4. The increase under expenditure occurred mainly under "Interest" (Rs. 2,57,533) in consequence of the issue of new loans of 1960-70 and the payment of interest on Promissory Notes of high denominations belonging to Indian States. The cost under "District Administration" (increased by Rs. 16,033) owing to the appointment of an Additional Commissioner, Ajmer-Merwara, and annual increments to officers and staff and the expenditure under "Currency" by Rs. 29,656 owing to heavy remittances of treasure to Bombay.

5. **Police.**—There was an increase of 239 in the volume of crime reported to the Police. The incidence of crime per 10,000 of population amounted to 109·89 compared with 71·6 in the previous year. The total number of cases of dacoity reported to the Police was 13 of which 12 were road or jungle dacoities. The problem of dealing with dacoity in this district is a difficult one but with the recent formation of a special dacoity force and the more extensive aid of informers, it is hoped that the position will improve. The year's working of the Gayer system of investigation which has been introduced in Ajmer-Merwara shows that the system cannot be worked successfully until the bordering Indian States also adopt it.

There is no doubt that the question of settling criminal tribes in Rajputana demands attention. The problem is difficult owing to the number of different states involved. Efforts will be made to obtain their co-operation in a comprehensive scheme.

6. **Criminal Justice.**—The total number of offences reported was 8,847 of which 8,725 were returned as true. 13,052 persons were placed on trial of whom 7,556 were convicted. The average duration of each case was 48·47 as compared with 46·08 in the previous year.

7. **Civil Justice.**—There was a decrease of 184 in the total number of civil suits, including miscellaneous, with a decrease of Rs. 1,95,119 in the total value of suits.

8. **Alienation of Land.**—During the year under report 101 applications for permission to alienate land under the provisions of the Ajmer Land Alienation Regulation, 1914 (III of 1914) were rejected. This shows that the Regulation provides an efficient check on indiscriminate alienation of land.

9. **Water supply and sanitation.**—Owing to the scanty rainfall during the previous year it became necessary to draw upon the Bhaonta and Budha Pushkar water supply for a period of over six months. The sanitation of the Ajmer City continues unsatisfactory, and this question as well as that of augmenting the water supply are under the consideration of the Municipal Committee.

With a view to supplementing the water supply in Beawar bore holes were tried, but the results were disappointing.

10. **Co-operative Societies.**—The number of Central Societies was 11. The members of these Central Societies consisted of 886 individuals and 825 Societies as compared with 1,002 and 807 respectively in the preceding year The number of Agricultural Societies fell from 486 with 10,020 members to 485 with 10,166 members. Non-agricultural Societies numbered 94 with 8,336 members as compared with 95 with 5,289 members during the previous year. The working capital of the Central Agricultural and Non-agricultural Societies amounted to Rs. 22,61,052, Rs. 17,22,800 and Rs. 4,67,321 respectively. The total working capital of all the Societies was a little over 44½ lakhs of rupees. The Ajmer Central Bank has decreased the rate of interest on heavily indebted Societies from Rs. 9 per cent. to Rs. 6 per cent. per annum. The Bank is working on more co-operative lines than in the past and its financial position is sound. It is impossible to say that the condition of the Co-operative movement as a whole in Ajmer-Merwara is altogether satisfactory at present. It requires most careful watching, if success is to be achieved.

11. **Forests.**—Excluding arboricultural operations, the total receipts and expenditure of the Ajmer-Merwara Forests during 1926-27 amounted to Rs. 65,888 and Rs. 53,036 as compared with Rs. 71,486 and Rs. 48,725 in the preceding year. The net surplus was Rs. 12,852 against Rs. 22,761 in the previous year. The decrease in receipts is mainly explained by reduced realisation of grazing fees owing to pasturage being available outside the forest areas. A scheme for the conservation of grass in the forest areas against years of scarcity has been submitted for the sanction of the Government of India in the Department of Education, Health and Lands.

12. **Stamps.**—The gross income from stamps amounted to Rs. 2,74,046 against Rs. 4,64,397 in the preceding year. The increase in income was due to a slight increase in litigation and better trade conditions during the year 1926-27. The total charges in connection with the working of the Stamps Department amounted to Rs. 25,873 against Rs. 26,374 in the previous year.

13. **Public Instruction.**—The existing arrangement under which the Educational Commissioner with the Government of India holds also the appointment of the Superintendent of Education, Ajmer-Merwara, has proved unworkable and seriously prejudices the development of education in Ajmer-Merwara. Proposals for revising the present system are now under consideration.

The total expenditure on education amounted to Rs. 6,32,906 as compared with Rs. 6,10,150 in the previous year.

The percentage of population under instruction was 5·2 per cent. in the case of males and 1 per cent. in the case of females. Female education is making very slow progress in Ajmer-Merwara, but it is hoped to stimulate it under the programme of expansion now being introduced.

A training class for Anglo-Vernacular Teachers was added to the Government Normal School to prepare candidates for the C. T. Examination of the United Provinces. The transfer of Primary Education to local Bodies has been sanctioned by Government. With the introduction of the five years' (1927-32) programme for the expansion of education in Ajmer-Merwara, the Education Department looks forward to a period of marked educational activity in the district.

Report on the Administration of Ajmer-Merwara for 1926-27.

SECTION I.

GENERAL ADMINISTRATION.

(a) *Personnel.*

The office of the Commissioner, Ajmer-Merwara, was held by Lt.-Col. R. J. W. Heale, O.B.E., Captain W. F. Q. Shuldham, acted as Commissioner from 2nd May 1926 to 11th June 1926 when Colonel Heale was on leave.

The appointment of Additional District Judge was held by Sahibzada Abdul Wahid Khan.

Captain W. F. Q. Shuldham held the office of Assistant Commissioner, Ajmer-Merwara, throughout the year.

Mr. J. A. DeSouza continued to hold the office of the Extra Assistant Commissioner, Merwara.

Rai Sahib M. Mahabir Pershad held charge of the office of Deputy Magistrate, Kekri, from 1st April 1926 to 10th August 1926 and from 11th August 1926 to 31st March 1927, Munshi Kishanlal held the appointment.

The office of Civil Surgeon was held by :—Lt.-Col. J. W. Watson, C.I.E., I.M.S., from 1st April 1926 to 15th July 1926.

Lt.-Col. G. M. Millar, O.B.E., M.B., I.M.S., from 16th July 1926 to 1st August 1926.

Captain R. M. Kharegat, I.M.S., from 2nd August 1926 to 16th November 1926.

Lt.-Col. J. W. Watson, C.I.E., I.M.S., from 17th November 1926 to 31st March 1927

Mr. C. S. Elmslie held the appointment of Superintendent of Police.

(b) *Revenue and Expenditure* (*Vide Statement No. 42.*)

2. The total revenue and expenditure (Imperial and Local) of Ajmer-Merwara for the year amounted respectively to Rs. 26,97,091-6-7 and Rs. 38,59,319-11-0 as compared with Rs. 27,71,144-1-8 and Rs. 33,69,065-2-0 last year.

Imperial revenues fell from Rs. 18,52,658-6-2 in the year 1925-26 to Rs. 16,02,163-2-3 in the year under report, while the expenditure rose to Rs. 28,66,222-0-4 as compared with Rs. 25,38,415-14-8 in 1925-26. There was thus a net deficit of Rs. 12,64,058-14-1 in the Imperial Revenue.

The principal variations in Imperial Revenue and Expenditure occurred under the following heads :—

	Rs.
Revenue.	
Customs	−90,709
Land Revenue	−56,717
Excise	−25,741
Stamps	+12,623
Interest	−10,137
Taxes on Income	−87,641
Expenditure.	
Interest	+2,57,533
District Administration	+16,033
Police	+21,908
Currency	+29,656

2-A. On the revenue side the *plus* figures under Stamps are attributable to an increase of litigation. " Customs " shows a large decrease due to the abolition of the Cotton Excise duty while the decrease under Land Revenue representing remissions in the revenue demand in the khalsa area and suspensions granted to Istimrardars in respect of their *Jama* was due to the poor outturn of the rabi harvest of 1926. The short recoveries of interest on the outstanding Takkavi and Dami loans was due to the same cause. The variations under Excise and Taxes on income are explained later under the appropriate Sections.

2-B. The increased expenditure under " Interest " is chiefly due to the issue of new loans of 1960-70 and also to the payment of interest in Government Promissory Notes of high denominations belonging to Indian States. The increase under the head " District Administration " is due to the appointment of Additional Commissioner and annual increments to officers and staff.

The expenditure under Police amounts to Rs. 3,72,157 as against Rs. 3,50,249 shown in the 1925-26 report, or an increase of Rs. 21,908. But the actual expenditure in 1925-26 as subsequently ascertained was Rs. 3,89,728 so that the figures for the year under report are less by Rs. 17,571 than the previous year's, the difference being chiefly due to a sum of Rs. 15,000 claimed by the United Provinces Government in the final accounts for 1925-26 on account of leave salary of Mr. K. L. Kemball who was Superintendent of Police in this district some years ago.

The increase under the head " Currency " is due to heavy remittances of treasures to Bombay.

SECTION II.

ADMINISTRATION OF THE LAND.

(a) Court of Wards (year ending the 31st July 1927).

3. **Tenure of office.**—The office of the General Manager, Court of Wards, Ajmer, was held by Babu Man Mohan Roy from the beginning of the year to the 16th November 1926 and by Thakur Onkar Singh from 17th November 1926 to the end of the year.

4. **Estates under management.**—The number of estates under the management of the Court of Wards at the close of the year was 22, *viz.*, (1) Bhinai, (2) Kharwa, (3) Junia, (4) Govindgarh, (5) Bubania Thakur Moti Singh's estate, (6) Bubania Thakur Amar Singh's estate, (7) Beawar Thakur Guman Singh's estate, (8) Dodiana-Dilwari, (9) Gangwana, (10) Mst. Hussein Bannu's estate, (11) Karel, (12) Miran Sahib's estate, (13) Mst. Manni Begum's estate, (14) Nimode, (15) Nawab's estate, (16) Lala Pushkar Lal's estate, (17) Rughnathgarh, (18) Rajosi, (19) Richmalian, (20) Salari, (21) Sholian, (22) Tiswaria.

During the year the estate of Lamba was released on the ward attaining majority and the estate of Bubania (Thakur Amar Singh's share), Rughnathgarh and Tiswaria were placed under the management of the Court of Wards, the first two on account of the Istimrardars incapacity and last on account of minority in consequence of the demise of Thakur Kalyan Singh.

5. **Receipts and Expenditure.**—The year under report opened with a cash balance of Rs. 33,530-3-8. The total receipts during the year from all sources amounted to Rs. 560,930-8-9 as detailed below of which Rs. 3,74,967-1-3 were under the head "Ordinary" and Rs. 1,85,963-7-6 under the head "Extraordinary."

*Figures of last year including adjustment of annas four	98,508	2	8
Less figures of Bandanwara released	29,985	8	3
Balance	68,522	10	5

The collections amounted to Rs. 5,60,930-8-9 as noted above. A sum of Rs. 1,402-0-0 having been remitted the outstanding balance at the close of the year stood at Rs. 94,227-14-9 which includes Rs. 16,076-7-6 on account of price of grain left unsold in the Junia estate as also about Rs. 7,000 on account of old arrears in the estates of Tiswaria and Bubania (Thakur Amar Singh's share) recently placed under management.

6. **Liabilities.**—The liabilities of the estates under management at the end of the year aggregated Rs. 6,03,449-0-11 as below against Rs. 3,67,360-10-1 of the last year. The increase is mainly due to the Dami loan of Rs. 2,54,428-2-0 (including interest upto the date of payment) taken by the Junia estate :—

	Rs.	A.	P.
1. Dami loan including interest upto date of payment	4,92,792	7	8
2. Takavi loan including interest upto date of payment	25,749	8	1
3. Arrears of Government Jama and cesses . .	18,663	8	11
4. Private debts	66,243	8	3
TOTAL .	6,03,449	0	11

7. **Cost of management.**—The cost of management amounted to Rs. 50,110-2-3 or 13·36 per cent. of the year's ordinary receipts against 18·18 per cent. of the last year. The percentage including cost of local management amounts to Rs. 30,482-2-3 or 8·13 against 12·35 in the preceding year.

8. **Education of the Wards.**—Raja Kalyan Singh of Bhinai, Kanwars Sajjan Singh and Amar Singh of Junia and Nawab Mohmed Umar Khan of Boraj continued their studies at the Mayo College, Ajmer, and the Thakurs of Nimode and Sholian at the Municipal School, Kekri and D. A. A. V. High School, Ajmer, respectively. The two minor wards of Pushkar Lal's estate and Mir Yusuf Ali Shah, Jagirdar of Dodiana, continued their studies at the Government High School, Ajmer, Mahesh Prashad, the eldest ward of Pushkar Lal's estate, has passed the F. Sc. Examination of the Allahabad University from the Government College, Ajmer, and will be sent to the Edinburgh University to qualify himself as a Civil Engineer.

9. **Health of the Wards.**—The health of all the wards was good throughout the year.

10. **Marriages of the Wards and their Relatives.**—During the year under report the aunt of the Tiswaria ward and the sister of Thakur Amar Singh of Bubania were married to a jagirdar of Unyara in Jaipur State and the Thakur of Ghatyawali in Mewar respectively.

(b) *Mutation Cases.*

11. In the Ajmer Tehsil 1,680 cases were instituted all of which were disposed of during the year under report. In Merwara 2,986 cases were instituted and all these as well as 13 cases of the previous year were disposed of during the year.

(c) *Land Alienation Regulation.*

12. During the year 358 applications for alienation of agricultural land were filed, of which 257 were granted and 101 rejected. The alienations sanctioned include 26 cases relating to land within Municipal limits, 15 cases of perpetual lease and one of gift. No decrees were referred to the Collector under section 8 (3) of the Regulation nor were any cases referred under section 16 during the year under report.

SECTION III.

PROTECTION.

(*a*) *Ajmer-Merwara Police* (*year ending the 31st December 1926*). [*Compiled by R. E. Coupland, Esq., Inspector-General of Police, Ajmer-Merwara.*]

13. **Crime Statistics.**—The total volume of crime reported to Police and Magistrates, excluding false cases, was 5,443, an increase of 1895 compared with the figure of 1925. The increase falls under five heads (*i*) serious offences against the person, (*ii*) serious offences against person and property, (*iii*) minor offences against the person, (*iv*) minor offences against property, (*v*) offences affecting the public health and safety and offences under the Criminal Tribes Act. The increase occurred mainly under head (*v*) and cases under this head formed 68 per cent of the total crime. There was an actual increase of 239 in the volume of crime reported to the Police during the year.

The incidence of crime per 10,000 of population amounted to 109·89 compared with 71·6 last year.

14. **Investigation.**—Investigations were made in 90·8 per cent. of cases reported compared with 93·1 in 1925. 80 police cases were struck off as false or as due to mistake of fact or law compared with 43, the year before.

15. **Murder.**—The number of murder cases reported increased from 8 in 1925 to 10 in 1926. Including 3 cases pending from the previous year there were 12 true police cases. Of these, 2 ended in conviction, 3 were acquitted, 3 remained untraced and 4 were pending at the close of the year. The figures for 1926 are above the average of the triennium of 1923-24-25. Of the 10 cases reported during the year, one case was expunged as due to a mistake of law or fact. Of the 9 cases which actually occurred during the year, 2 were due to sexual motive and 5 to private quarrel. Two were cases of infanticide.

16. **Poisoning.**—One case of poisoning was reported during the year compared with none in 1925 and 1924. No case of this nature was reported to Magistrates during the year.

17. **Dakaiti.**—The total number of true cases of dacoity reported to the police during 1926 was 13. Including 2 cases pending from 1925, there were 15 cases for disposal against 13 in 1925. All but one of the cases reported during the year were road or jungle dacoities. Of the 15 cases. one ended in conviction, one in acquittal, in one case the accused is absconding, 8 remained undetected and 4 remained pending at the close of the year. Four dacoities and 13 robberies were committed by armed men mounted on camels. There has again been no appreciable success in dealing with these cases but there are indications of improvement. It is clear from the nature of the cases that the gang or gangs just wander about with little or no pre-arranged plans. They take such victims as chance provides. In such circumstances, it is extremely difficult for the armed police patrols to anticipate movements in order to force the gang to an engagement. Lately a special dacoity force has been formed and it is hoped by this, and the more extensive aid of informers, to get into touch with the gangs. 100 rifles have recently been sanctioned by the Government of India and arrangements for their supply have been made. The question of an increase in the force is under consideration.

18. **Robbery.**—Including 3 cases pending from the previous year and one magisterial case of 1926 there were 37 true cases for disposal compared with 30 in 1925 and 43 in 1924. Of the 37 cases, 5 ended in conviction, 3 were discharged or acquitted, 22 remained un-detected and 6 were pending at the close of the year, and in one case the accused were absconding. In one case, villagers put up a plucky fight and were rewarded.

19. **Burglary.**—The number of true burglary cases for disposal including Magistrates' cases and those remaining from last year, was 686 compared with

646 in 1925. The value of property burgled in 1926 aggregated Rs. 46,186-10-10 as compared with Rs. 78,255-15-7 in 1925.

The Gayer system of investigation has been introduced in the Ajmer-Merwara District but the year's working of the system has shown that the methods and objects of the system are not thoroughly comprehended by the investigating staff and as the system demands very close co-operation and regular and thorough dissemination of information and as the district is surrounded by Indian States, the system cannot be worked successfully until bordering States adopt it.

20. **Ordinary thefts.**—There were 423 true police cases for disposal compared with 362 in 1925. 180 cases involving 231 persons were sent up for trial and 94·4 per cent. ended in conviction.

21. **Cattle thefts.**—46 true police cases were disposed of compared with 75 in 1925. 19 cases were worked out.

22. **Criminal Tribes.**—At the close of 1926 there were 494 adult males of all classes including gypsies on the registers compared with 490 of 1925. There is a nominal increase of 4 due to the registration of juveniles on attaining the age of 15 and 16 years.

Out of 494 registered members, 52 are absconding compared with 44 previously and 23 are in jail against 21 in 1925. Thus 419 registered members were under Police surveillance as compared with 425 in 1925.

During the year under report 28 were prosecuted under section 22 of the Act. Of these, 25 were convicted and 3 were acquitted while in 50 cases the accused are absconding. Similarly 13 Sansis, 10 Kanjars, 2 Baories and 3 Merats were convicted during the year under the Indian Penal Code as compared with 11 Sansis, 1 Baori, 1 Mina and 12 Kanjars in 1925.

Restrictions are undoubtedly proving beneficial in checking movements of State Gypsies and in influencing those already restricted to settle down and adopt honest means of livelihood. Nearly 20 registered persons are serving in the Railway shops at Ajmer and are living upon their earnings happily.

The reciprocal arrangements of the Ajmer-Merwara District Police with the surrounding States have continued to work effectively, but the State subordinates do not exert themselves in the arrest of absconders.

The question of the establishment of a Criminal Tribes Settlement which has been pending for many years has now become an important matter and it is desirable that a settlement should be established as soon as possible as the presence of Criminal Tribes in some parts of the district of Ajmer-Merwara has tended to diminish the value of agricultural land, but, apart from the question of cost, the difficulty of guaranteeing sufficient employment persists.

23. **Vagrancy and Bad livelihood.**—46 persons were prosecuted under the preventive sections of the Criminal Procedure Code compared with 70 in 1925, 35 out of 46 were bound over, 3 discharged, one undetected, one transferred to other district and 6 remained pending at the close of the year.

(a) *Police.*

24. **Strength.**—The total sanctioned allocation including 2 private guards of a *quasi*-permanent nature was the same as in the previous year, *viz.*, 38 officers and 839 men. The actual strength at the close of the year was 30 officers and 823 men.

25. **Punishments and Rewards.**—Two men were convicted judicially during the year compared with 4 in 1925. One officer and 18 men were punished departmentally compared with 14 men in 1925.

243 officers and men were rewarded receiving a total of Rs. 2,245 against 614 officers and men who earned Rs. 3,680-10-6 in 1925.

26. **Mounted Police.**—There was no change in the sanctioned strength and disposition of this branch of the Force which stood at 2 head constables and 25 constables.

(*b*) *Criminal Justice* (*year ending 31st December 1926*).

[*Vide* Statements Nos. 11 to 16 and 25.]

27. The total number of offences reported was 8,847 of which 8,725 were returned as true. Of these cases 1,487 were reported under the Police Act. The number of cases under the Opium Act was 23 against 27 in 1925, and 20 in 1924.

28. 13,052 persons were placed on trial of whom 7,556 were convicted. The corresponding figures for the year 1925 were 19,302 and 11,963. The average duration of each case was 48·47 as compared with 46·08 in the year 1925.

29. The court of Sessions dealt with the cases of 27 persons, as against 26 in the year 1925, of these 14 were convicted, 5 acquitted, 5 referred to the Judicial Commissioner and 3 remained under trial.

29-A. The number of Appeals and Miscellaneous Criminal Applications disposed of by the Judicial Commissioner, was 93, of which 23 were rejected. The sentence in 48 was confirmed and in 2 enhanced, in 3 reduced or altered. In 2 new trial or further enquiry was ordered and in 13 proceedings were quashed and 2 were not prosecuted or withdrawn.

30. The number of appeals and revisions dealt with by the District Magistrate, Sessions Judge and the Additional Sessions Judge, was 225 of which 139 were rejected. The sentences in 21 cases were reduced and in 27 reversed, 5 were referred to the Judicial Commissioner and a new trial was ordered in 7 cases. Proceedings in 9 cases were quashed and sentence was enhanced in one case, 16 cases remained pending.

[*Vide* Statements Nos. 11 and 17 to 25.]

31. The total number of courts during the year was 36. The total number of suits including Miscellaneous was 5,749 against 5,933, in the year 1925, showing a decrease of 184. The total value of suits instituted during the year was Rs. 7,57,916-14-0, as against Rs. 9,53,035-10-1, in the year 1925. Suits of all kinds the value of which exceeded Rs. 10 and did not exceed Rs. 50 numbered 1,817. The total number of suits of all kinds for disposal including arrears was 8,109. The contested suits disposed of numbered 1,229, 39 were decided by arbitration while 3,454 were disposed of without any contest, the number disposed of without trial was 1,137 and 10 were transferred to other courts. The pending files at the close of the year showed 2,240 cases as compared with 2,601 in the preceding year. Of these 1,220 had been pending more than 3 months. The average duration of contested suits was 289·68 and that of uncontested 118·59.

32. On the appellate side there were 458 appeals from decrees and orders and the pending files at the close of the year showed 280 cases against 248 in the preceding year. The average duration of appeals was 211·35 days against 293·92 in the preceding year.

33. The total number of Appeals and Miscellaneous Civil Applications dealt with by the Judicial Commissioner was 194. Details are given in Statement 10-A (Civil).

34. The number of applications for execution was 14,321 against 16,908 in the year 1925. The number of pending applications for execution of decrees at the close of the year was 1,396 as compared with 3,342 in the preceding year.

(*d*) *Registration* (*year ending the 31st December 1926*)

[*Vide* Statement No. 26.]

35. The number of documents registered increased from 3,220 in 1925 to 3,320 in 1926 or by 3 per cent.

Transfers of agricultural land by sale fell by over 51 per cent. and those by mortgages by over 41 per cent. as will appear from the figures compared below :—

—	1926.	Value.	1925.	Value.
	Bighas.	Rs.	Bighas.	Rs.
Area sold	1,075	2,53,347	2,098	3,16,089
Area mortgaged	1,900		3,253	

The increase in registration work caused an increase in receipts while the expenditure shows a small increase.

(e) *Municipalities (year ending the 31st March 1927).*

(1) Ajmer Municipality, Population 99,541 excluding 13,971 pilgrims.

36. During the year under report, the constitution of the Committee remained unchanged except that the Civil Surgeon or the Additional Civil Surgeon, the Executive Engineer, Ajmer Division, the Superintendent of Police, Ajmer-Merwara and the Assistant Superintendent of Education, Ajmer-Merwara, were appointed expert advisers to the Committee under Section 6 (2) of the Ajmer-Merwara Municipalities Regulation, VI of 1925. The Committee was composed of 24 members, 6 nominated and 18 elected, of whom 6 were Europeans and 18 Indians. Twelve special and 14 ordinary meetings were held, the average attendance at each meeting being 13·28 and 15·17 respectively.

37. The total income of the year was Rs. 5,78,903 as against Rs. 4,95,989 in 1925-26. The expenditure amounted to Rs. 5,82,388 as against Rs. 4,24,357 in the previous year. The closing balance was Rs. 1,18,369.

The income shows an increase of Rs. 82,914 over the preceding year mainly under the heads "Visitors Tax" "Loans" and "Deposits."

The excess expenditure of Rs. 1,58,031, as compared with last year, occurs chiefly under the heads "Water Supply," "Conservancy," "Hospitals and Dispensaries," "Roads" and "Deposits."

38. The gross and net receipts from octroi in the two years are shown below :—

	Gross.	Net.
	Rs.	Rs.
1925-26	2,98,139	2,46,718
1926-27	2,89,080	2,45,578
Difference .	9,059	1,140

39. The decrease of Rs. 9,059 in gross octroi receipts occurred chiefly under the item "Piece Goods," *viz.* "Cloth," on account of less importation and cheaper rates. The decrease of Rs. 1,140 only in net receipts when compared to that in gross receipts is due to grant of less octroi refunds, the percentage of which on gross octroi collections fell from 17·25 in 1925-26 to 15·04 in 1926-27.

40. The incidence of octroi taxation was Rs. 2-7-5 per head of the population against Rs. 2-7-8 in the preceding year.

41. A sum of Rs. 29,337 was paid towards the liquidation of Government loans, the balance of which due by the Municipality at the end of the year amounted to Rs. 3,22,397.

42. The Municipality took a loan of Rs. 1,00,000 from the General Assurance Society Limited, Ajmer, and paid the same to the New Hospital Committee as a temporary advance for the completion of the New Victoria Hospital in the Kaisarbagh.

43. The management of the Ajmer water works remained in the hands of the Executive Engineer, P. W. D., Ajmer-Division.

44. The total rainfall recorded at the different registering stations during the year was as follows :—

	Inches.
(1) Foy Sagar	29·50
(2) Catchment area of the Foy Sagar	30·38
(3) Municipal Storage cisterns	26·11
(4) Bhaonta Water Works	25·31

45. The year was one of good rainfall, but owing to scanty rains of the preceding year pumping from Bhaonta and Budha Pushkar had to be allowed for over 6 months and this accounts for the excess expenditure on water supply.

46. At the commencement of the year, the water level of the Foy Sagar lake was 9·86 which rose to 19·16 at the close of the year. The water level of the Budha Pushkar lake was 6·10 at the beginning and 7·0 at the end of the year. At Bhaonta well No. 5, the water level was 90·18 on 1st April 1926 and 93·75 on the 31st March 1927.

47. The number of births and deaths recorded was 2,584 and 4,145 respectively as against 2,473 and 3,378 in the previous year.

48. The birth and death rates per mile of population were 22·76 and 36·51 against 21·78 and 29·76 respectively in the preceding year.

49. The mortality among children under 5 years of age was 2,148 (51·82 per cent. of the total mortality) against 1,740 in the previous year.

50. The total number of vaccinations performed was 5,656 against 5,605 in the previous year.

51. The sanitation of Ajmer City continues unsatisfactory. But this question as well as that of augmenting the water supply are engaging the Committee's attention.

52. The visitors' tax which was brought into force from 1st January 1926 is being collected through the B., B. & C. I. Railway on a commission of Rs. 5 per cent. The work of assessment in connection with the water tax is in progress.

53. The Government of India sanctioned the transfer of the primary education of boys and girls in the Municipality to the Committee.

(ii) *Beawar Municipality* : *Population 22,362.*

54. The Committee held 11 special and 27 ordinary meetings.

55. The total income and expenditure for the year amounted respectively to Rs. 1,25,379 and Rs. 1,27,494 as against Rs. 1,45,551 and Rs. 1,69,032 in the preceding year. The closing balance was Rs. 17,527 exclusive of Rs. 19,997 invested in Government Securities.

56. The income shows a decrease of Rs. 20,154 as compared with last year which occurred principally under the head 'Octroi'. This is to a great extent accounted for by the fact that imports of 'Kapas' were less than in the previous year.

57. The expenditure also decreased by Rs. 41,538. This is partly explained by the fact that extraordinary expenditure amounting to Rs. 28,226 was incurred on a boring machine last year.

58. The incidence of Octroi taxation per head of population was Rs. 3-13-4 as compared with Rs. 4-8-11 in the year 1925-26.

59. The management of the Beawar Water Works remained in the hands of the Edward Mills Co., Limited, while the private connections were managed directly by the Committee. With a view to supplementing the water supply, bore holes were tried at a site selected by a water diviner from Bombay. The result was disappointing for when a depth of 203 feet had been reached the yield of water was only 42 gallons per hour, though hopes had been entertained that about 10 to 12 thousand gallons per hour would be obtained. The total cost of water supply amounted to Rs. 13,344 and the income from the sale of water to Rs. 1,889.

60. The numbers of births and deaths registered during the year were respectively 769 and 957 as against 863 and 844 in 1925-26.

(iii) *Kekri Municipality: Population 5,700.*

61. During the year two more nominated members were added to the constitution of the Committee, which now consists of ten members excluding the Chairman.

62. The Committee held 9 ordinary and 5 special meetings this year.

63. The total income and expenditure amounted to Rs. 31,952 and Rs. 30,542 against Rs. 29,443 and Rs. 22,436, respectively in the preceding year. The increase in income amounting to Rs. 2,509 is more apparent than real. Octroi receipts were nearly Rs. 8,000 less than in the preceding year and there would have been a considerable falling off in the total amount of receipts had it not been that a Government grant of Rs. 5,614 was received for new school rooms and that an investment of Rs. 4,000 in Government securities was repaid on maturity during the year. Expenditure increased by Rs. 8,106. The only noteworthy increases in expenditure were under the heads "Conservancy" and "Public Instruction," the latter being accounted for by the fact that new rooms were built to provide additional school accommodation.

64. The incidence of Octroi taxation per head of population was Rs. 2-10-10 as against Rs. 4-0-8 in the year 1925-26.

65. The number of births and deaths recorded during the year was 200 and 255 against 263 and 158 respectively in the preceding year. The birth and death rates per thousand of population were respectively 35·08 and 44·73 as compared with 46·14 and 27·72 in 1925-26.

66. The balance at the credit of the Municipality at the close of the year was Rs. 46,760 (against Rs. 45,350 in the preceding year) including Rs. 10,999 invested in Government securities.

(iv) *Deoli Municipality: Population 3,474.*

67. There was no change in the constitution of the Committee. The Committee held 12 ordinary and 1 special meetings during the year.

68. The total income and expenditure for the year amounted to Rs. 5,314 and Rs. 4,378 as compared with Rs. 4,637 and Rs. 4,029 respectively during the preceding year. The increase in income amounting in all to Rs. 677, was principally due to increased receipts from 'Grazing and cultivation fees, Taxes on trades and fines'. The greater part of the increase of Rs. 349 in expenditure was accounted for under the heads General Administration Establishments (Public Works Department) Roads and Refunds of security. The closing balance for the year was Rs. 7,399 against Rs. 6,463 in the preceding year.

69. The incidence of taxation per head of population was Rs. 1-4-3 against Rs. 1-2-11 last year.

70. The figures of births and deaths recorded during the year were respectively 51 and 58 against 56 and 22 in the preceding year.

(f) *Medical (Year ending 31st December 1926).*

71. The number of Dispensaries has been 7 since 1918. The total number of indoor and outdoor patients treated in these dispensaries increased by over 13 per cent. from 85,016 in 1925 to 98,713 in 1926. The percentage of deaths amongst indoor patients increased from 5·62 to 7·09.

72. The total number of surgical operations of all kinds performed during the year was 5,324 with 19 deaths against 5,638 with 16 deaths in 1925. Of these 1,729 were performed in the Victoria Hospital at Ajmer with 15 deaths against 1926 with 11 deaths in 1925.

73. The total income of Hospitals and Dispensaries in Ajmer-Merwara amounted to Rs. 37,803 as compared with Rs. 43,080 in the previous year showing a decrease of Rs. 5,274 which is chiefly due to the fact that a special grant was given from Imperial Revenues in 1925 to meet the cost of arrears of the revised pay of Sub-Assistant Surgeons.

74. The total expenditure amounted to Rs. 35,663 as against Rs. 41,492 showing a decrease of Rs. 5,829 which is mainly accounted for under the heads; (1) pay of Sub-Assistant Surgeon, (2) purchase of European Medicines and (3) diet and miscellaneous charges.

(g) *Joint Stock Companies (year ending the 31st March 1927).*

75. The number of Companies working at the close of the year fell from 23 to 22; one Company, *viz.*, The Beawar Trading Company, Limited, Beawar, having gone into voluntary liquidation. Two Societies, *viz.*, the Agarwal Pathshala Sabha and the Jain Aushdhalaya Committee were registered during the year under Section 2 of the Registration of Literary Scientific and Charitable Societies Act (XXI of 1860). "The Indian Club"—an association not working for profit—was also registered under Section 26 of the Indian Companies Act VII of 1913.

76. At the close of the year the authorized and paid up capitals of the existing Companies were Rs. 73,35,000 and Rs. 36,48,268-10-6 as compared with Rs. 73,55,000 and Rs. 36,79,381-15-6 respectively in the year 1925-26.

77. The total receipts amounted to Rs. 462 during the year as against Rs. 497 in the preceding year. The decrease being small calls for no remarks.

78. The expenditure incurred by Government amounted to Rs. 996 as against Rs. 956 in the year 1925-26. The increase is due to annual increment in the pay of the Companies Act Clerk.

79. The office of the Registrar of Joint Stock Companies, Ajmer-Merwara, was held by Captain W. F. Q. Shuldham throughout the year.

(*h*) *Jails (year ending 31st December 1926).*

80. At the commencement of the year there were 335 prisoners including convicts and undertrial prisoners.

The number of prisoners admitted to the Jail during the year 1926 was 1,657 against 1,751 in the previous year. Of these 764 were convicts, 879 undertrials and 14 Civil prisoners. The number of prisoners discharged from all causes was 1,610 against 1,798 during the previous year. The number of prisoners at the close of the year was 382.

The profits from Jail manufactures amounted to Rs. 4,277-9-0 against Rs. 3,569-2-0 in the previous year.

The total expenditure in guarding and maintaining the prisoners including that incurred by the Public Works Department, on buildings and repairs and by Magistrates in guarding and maintaining undertrial prisoners amounted to Rs. 51,269-7-0 as against Rs. 49,906-5-0 during last year. The average cost per prisoner was Rs. 126-11-0 against Rs. 115-8-9 in 1925. The latter increase is due to higher cost of food grains, and woollen clothes and to the necessity, due to bad rains, of purchasing water from the Municipality.

SECTION IV.

PRODUCTION AND DISTRIBUTION.

(a) *Agricultural Summary* (vide *Statement No. 31*).

81. The year under report comprises Rabi 1,333 and Kharif 1,334 Fasli. The average rainfall was 27 inches 31 sents the normal being 21 inches.

The Rabi crops which depended on the rainfall of 1925 were poor and consequently the outturn was about 0-8-10 in the rupee in Ajmer, 0-7-3 in Beawar and 0-2-8 in the Todgarh Tehsil.

The area sown in the three Tehsils was 19,650¼ acres of which 920¼ acres failed. The outturn was estimated at 230,101¼ Mds.

Tehsil.	Area Sown.	Area failed.	Produce in Mds.
Ajmer	11,794	321	1,53,435½
Beawar	5,555¼	386¼	53,895¾

(b) *Takavi Loans Act under the Land Improvement Loans Act and Agriculturalists' Loans Act* [vide *Statement Nos. 32 to 34*].

82. A sum of Rs. 44,956 was advanced under Act XIX of 1883 during the year under report and Rs. 52,505 were advanced under Act XII of 1884.

The recoveries of principal under the two Acts amounted to Rs. 22,569 out of the total advance of Rs. 4,74,307 leaving a balance of Rs. 4,51,738 outstanding at the close of the year.

A sum of Rs. 3,761 on account of interest on loans under both the acts was also collected during the year.

(c) *Mines.*

83. During the year under report 18 prospecting licences were issued to approved miners (15 for the extraction of mica, 1 for asbestos, 1 for mica bearing beryl and 1 for red oxide), 5 were renewed and 3 transferred.

(3) mining leases for the extraction of mica in Istimrari estates and 1 in a Khalsa village were also granted during the year.

A sum of Rs. 2,009-11 was realized on account of Government dues for fees, rents and royalty during the year under report as against Rs. 5,722 in the preceding year.

18 certificates of approval to prospect and mine for minerals in the district of Ajmer-Merwara were renewed during the year. No new certificate was granted by the Local Administration.

(d) *Public Works.*

84. During the year under review the total expenditure incurred on Public Works (exclusive of Irrigation Works, Canals and Railways) amounted to Rs. 4,48,384 of which Rs. 3,89,977 were spent on works within the jurisdiction of Commissioner as against Rs. 3,49,584 in the year 1925-26.

The principal projects on which expenditure was incurred were :—

(1) Constructing a first class Bonded Ware House at Bandanwara.

(2) Construction of new Reserve Police Lines at Ajmer.

(3) Re-roofing of the 3 rooms of the Primary classes of the Moinia Islamia High School at Ajmer.

(4) Spraying of sprymax on the 1st mile of the Ajmer Beawar road.

(5) Improving steep gradients between 1st and 2nd furlong of the 4th mile of the Ajmer Pushkar road.

The revenue credited to Imperial Civil Works during 1926-27 on account of Ajmer-Merwara was :—

(1) Rs. 937-14-9 on account of rent realized from the Agency House, Deoli.

(2) Rs. 844-8-0 on account of rent realized from the Cantonment Magistrate's Bungalow at Nasirabad.

(e) *Arboriculture—Roadside tree plantation.*

85. During the year no new avenue was planted on the Imperial and District Fund Roads. The total length of roads under plantation at the close of the year was 105 miles and 7 furlongs. The growth of the trees planted on a length of 8 miles and 2 furlongs on the Nasirabad-Deoli Road having advanced to a stage at which no further watering was required, they were handed back to the Public Works Department.

The total expenditure on arboriculture amounted to Rs. 10,168 * as against Rs. 9,762 in the preceding year.

451 head of cattle were impounded for illicit grazing on the Imperial and District Fund roads against 634 in the previous year.

The income derived from the sale of lac, dry wood and babul pods, etc., amounted to Rs. 1,506† as compared with Rs. 1,745 during the year 1925-26.

(f) *Inspection of raingauges.*

86. The number of raingauges in Ajmer-Merwara on the 31st March 1927 was 58 of which 47 were inspected by Officers of the Civil and Public Works Departments and one by the Civil Surgeon, Ajmer-Merwara. All were found in good condition.

(g) *Co-operative Societies (year ending the 30th June 1927).*

87. The office of the Registrar was held by Lala Balkishen till the 23rd April 1927 when he reverted to the Punjab. He was succeeded by Sirdar Kartar Singh who continued to hold the appointment to the close of the year.

88. The number of Central Societies remained the same as last year, *viz.*, 11; one new Central Non-credit Society was registered during the year and the Kekri Central Bank ceased to exist—the liquidation proceedings having been completed. The members of these Central Societies consisted of 886 individuals and 825 Societies as compared with 1,002 and 807 respectively in the preceding year. The number of Agricultural Societies fell from 486 with 10,020 members to 485 with 10,166 members. The non-agricultural Societies numbered 94 with 8,336 members as compared with 95 with 5,289 members last year.

89. The working capital of the Central, Agricultural and Non-agricultural Societies amounted to Rs. 22,61,052, Rs. 17,22,800, Rs. 4,67,321 respectively against Rs. 21,62,753, Rs. 17,38,604, Rs. 3,87,248 last year. The total working capital of all the Societies amounted to a little over 44½ lakhs of rupees.

90. Of the working capital of the Central Banks, *viz.*, Rs. 21,83,746, the Ajmer Central Bank accounts for Rs. 13,71,088 against Rs. 12,63,952 in the preceding year; the Beawar Central Bank for Rs. 6,96,479 against Rs. 6,73,061 and the Nasirabad Central Bank for Rs. 1,16,179 against Rs. 1,20,654. The working capital of the remaining 8 Central Societies amounted to Rs. 77,306 against Rs. 83,343.

91. **Ajmer Central Bank Limited.**—There were 510 individual members as compared with 499 last year. The membership of societies was the same as in the preceding year, *viz.*, 255. The share capital also remained as before, *viz.*, Rs. 1,00,000. The deposits from individual members, the reserve and other funds increased by Rs. 81,328, Rs. 8,516 and Rs. 2,087 respectively. The amount of profit earned by the Bank during the year was Rs. 20,902. It advanced loans to the extent of Rs. 11,01,081 *viz.*, Rs. 5,69,465 to individuals and Rs. 5,31,616 to other banks and societies. This together with the balance of loans outstanding at the beginning of the year, *viz.*, Rs. 10,54,400 makes an aggregate of Rs. 21,55,481. Recoveries amounted to Rs. 11,79,402 during the year, leaving an outstanding balance of Rs. 9,76,079.

The Bank continues to enjoy the confidence of the public, and is now working on more genuinely co-operative lines than in the past.

92. **Beawar Central Bank.**—The number of Societies ramained stationary at 257 while the membership of individuals rose from 297 to 303. The share capital remained the same as last year, *viz.*, Rs. 1,01,300, but the reserve and other funds rose from Rs. 48,359 to Rs. 51,068. The deposits from individuals increased from Rs. 4,81,621 to Rs. 4,98,009.

The last year's outstanding balance of loans amounted to Rs. 6,16,693 and the amount advanced during the year under report was Rs. 1,14,374 making a total of 7,31,067. The amount realized was Rs. 1,16,265 leaving an outstanding balance of Rs. 6,14,802 at the close of the year.

93. **Nasirabad Central Bank.**—The share capital was Rs. 25,000 as in the preceding year. The number of individual members fell from 74 to 73 but membership of societies increased from 74 to 80. The reserve and other funds amounted to Rs. 11,666 as compared with Rs. 10,850 last year. The deposits from individuals increased by Rs. 560. The last year's balance of loans was Rs. 1,15,229 and a sum of Rs 32,680 was advanced during the year under report, making a total of Rs. 1,47,909 of which a sum of Rs. 49,269 was realized leaving an outstanding balance of 98,640 at the close of the year.

The net profits of all the Central Societies amounted to Rs. 33,173 against Rs. 29,689. The amount of the reserve and other funds was Rs. 2,39,132 as compared with Rs. 2,28,488 last year.

94. Since the last year's review was written, compositions are being made between the Central Banks and heavily indebted Societies. The Ajmer Central Co-operative Bank has decreased the rate of interest on loans amounting to Rs. 1,25,149 given to 14 heavily indebted Societies from 9 per cent. to 6 per cent. per annum. The Central Bank has stopped giving loans to individuals except on the security of their deposits.

95. The number of Societies in liquidation rose from 60 to 69, no liquidations having been brought to completion. Liquidation proceedings are

inevitably slow but efforts are being made to accelerate them as far as possible.

96. The Government of India have sanctioned an increase in the Co-operative Staff, the most important addition being a fourth Inspector. They have also enhanced the previous annual grant of Rs. 2,000 to the Societies Salary Fund to Rs. 7,000 for a period of five years on the condition that a Chief Auditor is maintained from that Fund.

97. **General Remarks.**—During the period of 7 years for which he held the post of Registrar, Co-operative Societies, Mr. Balkishen did a great deal to improve and promote the Co-operative movement in the district. His successor, Sirdar Kartar Singh, has taken up the work with energy and enthusiasm and a determination to surmount the many difficulties which face him and guide the movement along right lines. The defects which have been pointed out in previous reports have not yet been altogether eliminated but the fact that they are realised and that steady efforts are being made to remove them justifies the hope that at no distant date a sound structure will be built up and the vast possibilities which the Co-operative movement contains for the prosperity of the district, and especially of the agricultural population, will be realised in progressively fuller measure.

(*h*) *Agricultural Stock.*

98. The table below compares the result of the enumeration of Agricultural Stock in Ajmer-Merwara during the year under report with the figures of the two preceding years:—

—	1924-25	1925-26	1926-27
Cows and Bullocks	2,83,990	3,06,986	3,13,155
Buffaloes	76,270	1,12,207	92,366
Sheep and goats	4,24,135	5,30,532	5,05,600

There was no outbreak of disease among cattle.

(*i*) *Forests.*

99. Apart from arboricultural operations (which have already been dealt with above) the total receipts and expenditure of the Ajmer-Merwara Forests for the year under report amounted to Rs. 65,888 and Rs. 53,036 respectively as compared with Rs. 71,486 and Rs. 48,725 in the preceding year.

The net surplus was thus Rs. 12,852 against Rs. 22,761 last year or a decrease of Rs. 9,909. The falling off in receipts is to a large extent accounted for by the fact that as sufficient pasturage was available this year outside forest areas, the amount realised from grazing fees was considerably less than in the preceding year.

As regards expenditure the principal items of increase were Rs. 1,900 spent on works of improvement and Rs. 1,800 on account of pay, travelling allowance and contingent charges.

100. The introduction of the scheme for the collection and storage of grass by the Forest Department which has been prepared and submitted for sanction, is likely to prove very beneficial to the agricultural population. It is anticipated that it will be possible to collect a sufficient quantity in years of good rainfall to supply the requirements of the district in a year of scarcity and thus obviate the necessity of having recourse to the expensive and inconvenient expedient of importing grass from outside.

101. Pandit Dayanand Mamgain, Extra Assistant Conservator of Forests, who came to Ajmer-Merwara in 1921 did a great deal to improve the working of the department and obtained very satisfactory results, and good work has been done by his successor Lala Sita Ram Puri since he came here in Novem-

ber 1926, when Pandit Dayanand Mamgain reverted to the United Provinces. Credit is due to both these officers and to the staff working under them.

(*j*) *Factories.*

102. During the year 1926, the total number of factories registered under the Indian Factories Act, increased from 36 to 38, of which three remained closed throughout the year. Two factories were added to the Register during the year and none was removed.

The newly registered factories were cotton ginning, whilst the factories, which remained closed throughout the year, were :

Cotton Ginning Factories	2
Cotton Spinning and Weaving Mill	1

The total number of operatives in all factories increased from 15,631 in 1925 to 15,916 in 1926. The number of operatives in the Bombay, Baroda and Central India Railway workshops, Ajmer, increased from 10,543 in 1925 to 11,091 in 1926, while the number of operatives in all other factories decreased from 5,088 to 4,825. The decrease in the number of operatives in factories other than the Railway Workshops was chiefly in cotton ginning factories and wool presses; in the former class of factories a poor cotton crop was responsible for the reduced number of operatives, whilst in wool presses reduction was due to the depressed state of the wool industry in Rajputana.

103. **Accidents.**—Four hundred and fifty-nine accidents occurred during the year 1926, as compared with 438 in 1925. The increase is chiefly in the Bombay, Baroda and Central India Railway Workshops, which were alone responsible for 447 accidents, as compared with 430 in 1925; considering that the number of operatives in the Railway Workshops rose by 548 during the year, the increase in accidents per 1,000 workers is very slight. In all other factories accidents show an increase from 8 in 1925 to 12 in 1926 and considering the number of operatives decreased during the year, the percentage per 1,000 workers shows a distinct increase. This increase is attributable to the more accurate reporting of accidents by factory managers.

104. **Prosecutions.**—One case instituted in 1925 was brought to a decision during 1926.

105. **Exemptions.**—No exemption was granted under the Indian Factories Act during the year 1926.

SECTION V.

REVENUE AND FINANCE.

A.—Imperial.

(a) Land and Water Revenue.

106. **Demand and Collections, etc., of Land and Water Revenue *vide* Statement No. 35.**—The current demand on account of Land and Water Revenue for the year amounted to Rs. 3,51,736 as against Rs. 3,73,121 for the year 1925-26 as detailed below :—

	1925-26	1926-27
	Rs.	Rs.
Khalsa villages	2,58,387	2,37,002
Istimrari area	1,14,734	1,14,734
	3,73,121	3,51,736

Including the arrears of the previous years the total demand aggregated Rs. 4,27,004 against Rs. 4,18,987 for the year 1925-26. The total collection amounted to Rs. 2,99,834 against Rs. 3,43,714 in the 1925-26 as detailed below :—

	1925-26	1926-27
	Rs.	Rs.
Khalsa villages	2,34,392	2,00,326
Istimrari area	1,09,322	99,508
	3,43,714	2,99,834

A sum of Rs. 55,340-11-6 was remitted in the district during the year under report. The balance of Land and Water revenue on the 31st March 1927 was Rs. 73,977 of which Rs. 57,327 remained outstanding against the Istimrari area and Rs. 16,650 against Khalsa villages.

107. **Variable assessment.**—The system of fluctuating assessment in 46 villages worked satisfactorily. The following table compares the assessment made in the year 1334 Fasli (1926-27) with the standard revenue fixed :—

Name of Tehsil.	Standard.			Assessment for 1926-27.		
	Land revenue.	Water revenue.	Total.	Land revenue.	Water revenue.	Total.
Ajmer . .	14,473	1,523	15,996	14,694	1,180	15,874
Beawar . .	2,800	1,547	4,347	2,959	965	3,924
Total .	17,273	3,070	20,343	17,653	2,145	19,798

The decrease in the assessment in Beawar was due to a large reduction in the irrigated area actually cultivated.

108. **Land Revenue Miscellaneous receipts *vide* Statement No. 35.**—The miscellaneous income during the year amounted to Rs. 9,896 against Rs. 12,357 last year.

109. **Prices.**—The retail prices of the principal food grains, barley and maize, were as follows :—

	Barley.				Maize.			
	June 1926.		January 1927.		June 1926.		January 1927.	
	Srs.	Ch.	Srs.	Ch.	Srs.	Ch.	Srs.	Ch.
Ajmer . . .	8	0	8	0	7	14	9	0
Beawar . . .	8	4	8	12	8	0	8	12
Todgarh . . .	7	1	7	4	7	10	8	5

Revenue Process.—In the Khalsa villages 331 writs and 119 warrants were issued for the recovery of Land and Water Revenue and Taccavi instalments.

110. **Loans to Talukdars under the Ajmer Talukdars Loan Regulation, 1911 (Dami loan).**—The transaction of Dami loan during the year under report is as shown below :—

	Rs.	A.	P.
Balance outstanding on 31st March 1926	2,86,564	3	5
Amount advanced during 1926-27	17,950	0	0
Total .	3,04,514	3	5
Amount realised during the year	20,236	7	4
Balance outstanding on the 31st March 1927 . .	2,84,277	12	1

A sum of Rs. 18,010-13-7 on account of interest on the above loans was also recovered during the year under report.

(*b*) *Excise, Opium and Drugs* (vide *Statements Nos. 36 to 40D.*).

111. The total receipts during the year from Excise, Opium and Drugs amounted to Rs. 6,88,556 as against Rs. 7,14,182 in the preceding year showing a decrease of Rs. 25,626.

The expenditure amounted to Rs. 36,411 as against Rs. 32,303 in the preceding year, or an increase of Rs. 4,108 of which Rs. 1,000 occurred under the head "Rewards", the balance being on account of increments to establishment.

The net revenue after deducting expenditure and refunds was Rs. 6,51,905 as against Rs. 6,81,753 last year.

The incidence of Excise Revenue per head of population fell from Re. 1-7-1 to Re. 1-6-2 during the year under report.

112. **Country Spirits.**—The rates at which country spirits were supplied are shown below in comparison with the previous year's rates :—

—	Mhowa.		Gur.	
	25′ U. P.	50′ U. P.	25′ U. P.	50′ U. P.
	Rs. A. P.	Rs. A. P.	Rs. A. P.	Rs. A. P.
1926-27 . . .	1 3 6	0 13 3	1 5 9	0 14 6
1925-26 . . .	1 7 3	0 15 6	1 8 9	1 0 6

The rates of still-head duty per proof gallon remained the same as in the previous year, *viz.*:—

Area.	Rs. A. P.
Urban	8 0 0
Rural	5 10 0

The total quantity of liquor issued from the distillery amounted to 67,129·2 proof gallons as against 1,04,077·2 last year.

The Collector of Excise Revenue reports that the demand for liquor among the lower classes decreased, chiefly because fewer marriages took place, and less was drunk by the labourers in the Railway Workshops, whose earnings have been reduced by the curtailment of working hours and the stoppage of overtime.

The number of liquor shops was 110 as against 109 last year, one new shop having been opened.

113. **Toddy.**—The monopoly for the tapping and vend of toddy was given for Rs. 700 for the year under report.

114. **Foreign Liquor.**—The license fees for the wholesale and retail vend of foreign spirits and foreign fermented liquors amounted to Rs. 1,812 as against Rs. 1,558 during the previous year. The number of licenses issued during the year was 14 as compared with 16 last year.

115. **Opium.**—The total opium receipts went down to Rs. 49,563, against Rs. 54,232 in the previous year, due mainly to the fact that a smaller quantity of opium was imported by wholesale vendors.

The total number of licences issued for the wholesale and retail vend of opium were 4 and 41 against 4 and 39 respectively in the preceding year.

116. **Poppy Cultivation.**—During the year under report, the cultivation of poppy was finally prohibited in the district.

2 Mds. and 8 Chks. of opium were exported to Mount Abu and Hyderabad (Deccan) respectively.

117. **Hemp Drugs.**—The receipts from hemp drugs amounted to Rs. 60,727 as against Rs. 61,211 in the preceding year.

The number of shops for the retail vend of intoxicating drugs was the same as in the previous year, *viz.*, 16.

118. **Cocaine.**—The quantity of cocaine imported and consumed during the year under report was as follows :—

	Grs.
Balance in hand on 1st April 1926	$3,884\frac{55}{96}$
Imported from outside the district	$1,936\frac{3}{4}$
Supplied locally	218
Total .	$6,039\frac{31}{96}$
Consumption during the year	$2,715\frac{5}{16}$
Balance in hand on 31st March 1927	$3,324\frac{1}{96}$

Cocaine weighing 1,012 grains was confiscated during the year but it is unfit for human consumption and will be destroyed.

119. **Prosecutions.**—During the year 71 persons were prosecuted under the Excise Regulation of whom 51 were convicted. Under the Opium Act 40 persons were prosecuted of whom 35 were convicted. 109 persons were convicted under the Police Act for drunkenness against 119 in the previous year. 32 persons were arrested for illicit possession and sale of cocaine of whom 19 were convicted.

In Ajmer-Merwara, no important Excise case was detected affecting other Provinces, and therefore no report was submitted to the Intelligence Bureau.

The Excise Intelligence Bureau established in 1913 has continued to do useful work in systematizing the detection of breaches of the Excise Laws.

120. **Opium Contraband Department.**—An Opium Contraband Department was started in November 1926 to check smuggling from Indian States into British India.

121. **General Remarks.**—The efficiency of the working of the Excise Department in Ajmer-Merwara is mainly due to the keen interest taken by Rai Bahadur Pandit Pyara Lal, Extra Assistant Commissioner, Excise.

(c) *Stamps* (vide *Statement No. 41*).

122. The gross income from Stamps amounted to Rs. 2,74,046 as compared with Rs. 2,64,397 in the year 1925-26 as shown below :—

—	1925-26.	1926-27.	Difference.
	Rs.	Rs.	Rs.
Judicial Stamps	2,02,680	2,09,590	6,910
Non-Judicial Stamps	61,717	64,456	2,739
Recoveries in pauper suits	...	...	...
	2,64,397	2,74,046	9,649

The increase in the sale of Judicial and Non-Judicial Stamps is due to slight increase in litigation and to the fact that trade conditions were better than in the previous year. There was no prosecution for breaches of stamp law.

The expenditure on account of the refund of the value of Stamps was as under :—

	Rs.	A.	P.
Judicial Stamps	1,834	13	0
Non-Judicial Stamps	2,129	1	0
Total	3,963	14	0

The discount paid to the Stamps vendors in the district was Rs. 4,195 against Rs. 4,043 in the preceding year.

The total charges in connection with the working of the Stamps Department amounted to Rs. 25,873* against Rs. 26,374 in the preceding year.

(d) *Income-Tax and Super-Tax.*

123. **Income-Tax.**—Of the total demand of Rs. 1,75,505-13-0 on account of Income-Tax a sum of Rs. 32,977-9-0 was refunded and Rs. 6,684 remained outstanding on the 31st March 1927.

* Includes—

	Rs.
(1) Discount on sale of stamps	4,195
(2) Contingencies	2,203
(3) Pay of clerk	510
(4) Pay of Process Serving staff	18,965
Total	25,873

The net collections (including excess collection and advance payments) amounted to Rs. 1,41,168-4-0 as compared with Rs. 1,61,112 in the previous year. In addition to this a sum of Rs. 26,837 as shown below was collected at source in respect of which no information is available in this office :—

	Rs.	A.	P.
(1) Collection of Tax on Government securities .	4,872	5	0
(2) Tax deducted by Government from salaries, etc. .	. 20,225	1	7
(3) Deduction by Local authorities from salaries and pensions	1,739	6	6
Total	. 26,837	0	0

124. **Super-Tax**—The net collection on account of Super-Tax amounted to Rs. 35,978 as compared with Rs. 92,038 in the previous year.

125. **General.**—The total collection of Income-Tax and Super-Tax amounted to Rs. 2,03,981. The number of persons assessed to tax by the Income-Tax Officer, Ajmer-Merwara was 656 as against 547 in the previous year.

No person was prosecuted for failure to submit accounts. The cost of collection amounted to Rs. 8,850 as compared with Rs. 8,500 in the preceding year.

22 appeals were filed under Section 30(1) of the Indian Income-Tax Act all of which were disposed of. A sum of Rs. 1,399 was remitted on appeal. There was no application for review under Section 33(1) of the Act.

The expenditure amounted to 4·33 per cent. of the total collection. The incidence per head of population (4,95,271) in the district of Ajmer-Merwara was 6·5 annas.

Conditions of trade during the year under report showed no improvement on those prevailing during the preceding year. Sales fell off and the profits of traders were reduced in consequence.

B.—Revenue and Finances other than Imperial.

(e) *District Fund.*

126. The year opened with a cash balance of Rs. 49,001 excluding the Dispensary Fund balance of Rs. 697.

Receipts and expenditure amounted to Rs. 1,08,980 and Rs. 1,20,849 respectively against Rs. 94,031 and Rs. 80,926 in 1925-26.

The increase in receipts is mainly attributable to a rise in income under the following heads :—

(1) Tolls on Roads.

(2) Sale-proceeds of grass (Arboriculture).

(3) School contributions.

(4) Government grant of Rs. 13,000 for Ajmer Srinagar Road.

(5) Veterinary receipts.

Two special works carried out during the year accounted for the increase in expenditure, *viz.* :—

(1) Special repairs to Ajmer Srinagar Road.

(2) Construction of a Primary School at Bhinai.

(f) *Local Funds.*

127. **Dispensary Fund.**—The cash balance at the credit of the Ajmer-Merwara Dispensary Fund at the beginning of the year amounted to Rs. 697.

The receipts during the year under report amounted to Rs. 11,582 against Rs. 10,559 in the preceding year.

The expenditure during the year amounted to Rs. 11,421 as compared with Rs. 10,486 in the preceding year.

The year closed with a cash balance of Rs. 856 exclusive of investment in Government Securities to the extent of Rs. 44,000.

128. **Choukidari Fund.**—The receipts amounted to Rs. 15,356-5-3 as against Rs. 15,408-6-3 in the previous year.

The expenditure was Rs. 16,014-7-6 as compared with Rs. 15,512-4-4 last year the increase being due to the larger amount spent on the pay of Choukidars and their equipment and rewards paid to them. A sum of Rs. 92-12-0 was also paid to the Accountant-General, Central Revenues, on account of the audit of the Choukidari Fund accounts.

The closing balance of the Fund on the 31st March 1927 was Rs. 4,817-11-11 the condition of the Fund being sound.

Besides this Cash balance there are investments aggregating Rs. 25,000 and a permanent advance of Rs. 50 at the credit of the Fund.

129. **Nasirabad Cantonment Fund.**—The total receipts amounted to Rs. 91,704 as compared with Rs. 89,894 in 1925-26. The increase of Rs. 1,810 was due to the recovery of arrears of property and water taxes from bungalow owners.

The expenditure amounted to Rs. 93,767 as compared with Rs. 91,190 in the preceding year, the increase of Rs. 2,577 being mainly attributable to the construction of a drain, the repairing of roads and the purchase of an operating table and instruments for the Cantonment Hospital.

SECTION VI.

PUBLIC INSTRUCTION. (*Vide* Statements Nos. 46 to 55.)

[Compiled by R. Littlehailes, Esq., C.I.E., Superintendent of Education, Delhi and Ajmer-Merwara.]

130. **Direction and Inspection.**—The Hon'ble Mr. J. A. Richey, was in charge of Education throughout the year. He went on leave preparatory to retirement on the day the year under review closed. Mr. Joshi, continued as Assistant Superintendent of Education with Pandit Gaya Prashad as Sub-Deputy Inspector of Schools. The arrangements for the control of Education in Ajmer-Merwara still leave much to be desired though efforts have recently been made to facilitate the despatch of work. The system suffers however from at least three vital defects. It is controlled and supervised by an officer whose head-quarters are for seven months in the year in Simla and for five months of the year in Delhi, an officer who can never be in constant and direct touch with the educational needs of the District. The Educational Commissioner with the Government of India, who combines the offices of Superintendent of Education in Delhi and Ajmer-Merwara with his other duties, has little time to do more than pay a few flying visits to Ajmer in the course of the year ; he has not time to visit even the larger centres outside Ajmer. This officer, in his capacity as Superintendent of Education, submits proposals to the local administration which, if approved by the local administration, and submitted to the Government of India, have again to be examined by the same officer in his capacity of Educational Commissioner with the Government of India. A system with the above accumulation of defects is not and clearly cannot be in the interest of Educational administration in Ajmer-Merwara.

131. **University and College Education.**—The number of students on the roll was 125 against 112 last year. The College is growing popular and will soon be filled to its limit of accommodation. The following table shows the comparative results for 1926 and 1927 which are creditable :—

Examination.	1926		1927	
	Sent up.	Passed.	Sent up.	Passed.
B.A.	14	7	5	3
B. Sc.	7	6	9	6
F.A.	31	18	52 (F.A. and F. Sc.)	34 (F.A. and F. Sc.)
F. Sc.	21	9		

Mr. Hari Prasad officiated as Principal till November, when Mr. Miller returned from leave.

The Hostel attached to the College is full and well managed.

132. **Secondary Education.**—There has been an increase in the number of secondary schools for boys by one and for girls by three. This increase is due to the addition of the Anglo-Vernacular Agrawal Pathshala, Ajmer, to the list of recognised schools for boys, and the Sophia Girls' School, Ajmer, to that of girls' secondary schools and the raising of the Society Girls' Primary School, Beawar, and Mission Girls' Primary School, Beawar, to the secondary stage. The number on roll in these schools has also increased by 161 and 195, respectively.

133. **Government High School, Ajmer.**—The school continued to work efficiently. At the last U. P. Board's examination 36 candidates came out successful out of 42 sent up. Three took a first class. Commerce was introduced last year as a subject for the High School Examination, and the first batch of students in this subject sat for the examination this year. The only

boy getting distinction in this subject at the Board's examination was from this school. The number on the roll was 518 and the average attendance was 504. There is a great demand for admission to the school and to the Hostel both of which are always quite full.

134. **Moinia Islamia High School, Ajmer.**—The number on the roll was 306 (excluding the Primary School) and the average attendance was 220. The proposals for additions to the building which were before the Government last year have recently been sanctioned and additional accommodation will be provided in the future. At the last High School Examination 4 boys passed out of 11 sent up.

135. **Recognised High Schools.**—There were as last year 7 aided High Schools for boys and one for girls. These include the Railway A. V. High School at Abu Road which is inspected by the Ajmer-Merwara Education Department. Tuitional work in the schools is on the whole not unsatisfactory, but for want of funds the schools have not improved in point of staff. Additional funds have now been provided to pay higher grants to these schools and it is hoped that they will, as years pass by, improve in efficiency. The Mission High School at Nasirabad has passed through a critical period but efforts are being made to pull it up to its former standard.

136. **Vernacular Secondary Schools.**—The number of students in vernacular secondary schools for boys was 471 against 328 last year. The increase is considerable and is due partly to the introduction of English as a second language at Bhim. Tuitional work was satisfactory, 53 boys came out successful out of 79 sent up for the U. P. Vernacular Final Examination. An experimental class for Manual Training worked well at Bhim. Hostel accommodation is much needed at all secondary centres. This is now being provided for in connection with the 5 year expansion programme.

137. **Primary Education.**—There has been an increase by one in boys' recognised primary schools and a decrease by 3 in girls' recognised schools. The former is merely a titular change, while the latter is due to 2 Primary Schools having been raised to secondary (Mission Girls' Schools, Beawar, and the Society Girls' School, Beawar) and one European Girls' School, Gangapur, having changed to boys' school (titular). The number on the roll in all public Primary Schools was 7,120 against 7,249 in 1926. The slight decrease is due to the corresponding decrease in the number of girls' schools.

138. **Building.**—Two new school houses were constructed during the year (at Sikhrani and Bhinai) at the cost of Rs. 1,175 and Rs. 10,815, respectively paid out of the District Board funds. Towards the fund a sum of Rs. 5,000 was paid as contribution by the Bhinai estate for the Bhinai school building. The building at Bhinai meets a long-felt want for a school house at an important centre.

139. **Curriculum.**—Modifications in the curriculum of studies in the preparatory classes were made during the year with a view to enable the child to choose between the Anglo-Vernacular and the Vernacular course at the end of class II—two years after admission into a public institution.

140. **Primary Education and local boards.**—A scheme for handing over primary education to the Municipalities was completed during the year, although the actual transfer of education to the Ajmer Municipal Committee was not effected till the 1st April 1927.

141. **Girls' Education.**—The Assistant Superintendent, Female Education, Delhi, was in charge of the inspection of girls' schools. The number of girls in recognised schools of all kinds has slightly decreased. There were during the year 1,707 girls against 1,766 last year. Girls' education is making very slow progress in Ajmer-Merwara. As was pointed out last year, this is due mainly to the lack of a local female inspecting agency. The 5-year expansion programme provides for a woman inspecting officer and the opening of 9 girls' schools in rural areas. These steps should go some way to further female education, in the District. In response to a public demand, facilities are now being offered in the local Government Girls' secondary school for English Education.

142. **Mohammadan Education**.—The number of Mohammadan scholars in public schools has increased from 1,647 to 1,764. Only one of the two Maktabs aided by Government last year showed any signs of improvement. The transfer of Primary education to local boards should, however, enable the Muslim representatives in these bodies to bring greater influence to bear on the Managers of schools and to persuade the Maktabs to introduce the teaching of secular subjects into their courses of studies. Some of the schools opened by the Muslim Tabligh have been closed and boys are returning to Government institutions. The percentage of Muslim scholars in both public and private schools to total population is at present about 3·4 while of all male scholars to male population it is 5·6.

143. **Training School**.—20 students were admitted into the vernacular Training class in the year under review. Also a training class for Anglo-Vernacular teachers was added to the Normal School. This class prepares candidates for the C. T. Examination of the U. P. The first batch sat for the Examination of 1927 where 13 candidates passed out of 16 sent up. The opening of a C. T. Class is a welcome step and should gradually make possible the replacement of all untrained by qualified trained teachers. The Normal School which at one time stood in danger of being closed, has obtained a new lease of life on account of the acceptance by Government of some of the educational needs of the district and the inclusion in the 5 years' programme of the cost of meeting these needs.

144. **Adult Education**.—There is one night school for adults at Jethana which is very popular. Experiments are being made in this direction in other places namely Bhim, Srinagar, Jalia and Saradhana.

145. **Professional scholarships**.—The two students who have been reading at Rurkee and the Benares Colleges as Government stipendiaries have finished their courses and the two scholarships thus vacated have this year been awarded to two students from the local Government College for Agricultural Education at Poona. One of them is the son of a Bhumia of Dhani.

146. **Scouting and games.**—Boy scout and girl guide movements have grown very popular. A troop in the rural part of the district was for the first time formed at the Bhim secondary school. The experiment has succeeded so well that efforts are now being made to extend the movement to other rural secondary schools. Games are played regularly in all schools, such as football, hockey and Indian games. Tournaments were organised on the occasion of the Teja Fair at Beawar and Kekri and were successful.

147. **European Education**.—Mr. Miller, the permanent Superintendent of European Education who holds this post in addition to that of Principal of the Government College, returned from leave in November, 1926 and took over charge of his duties from the Hon'ble Mr. J. A. Richey. There were, as last year, 8 schools for Europeans in Ajmer-Merwara and along the Railway lines in Rajputana. The enrolment on 31st March 1927 was 654 (390 boys and 264 girls) against 660 (395 boys and 265 girls) in the previous years.

148. **Education in Cantonment**.—The only Cantonment in Ajmer-Merwara is that of Nasirabad. The Cantonment Committee at one time had an Anglo-Vernacular High School of their own, but it was transferred to the Presbyterian Mission Society who are at present running the school (the Cantonment Mission High School) in buildings lent for the purpose by the Cantonment Committee. The Committee pays an annual grant of Rs. 2,400 to the Mission. Efforts were made during the year to persuade the Committee to take over the management and control of primary education and to finance it as a start to the extent of Rs. 2,400, their present expenditure on education, the Cantonment being at the same time relieved of their responsibility for financing secondary education. Correspondence was still in progress when the year closed. Nasirabad has a large number of privately managed primary schools which, if properly aided and supervised, are likely to improve in efficiency. The income of the Cantonment funds does not usually go beyond a Lac of rupees a year and there are heavy calls on the funds. Still it is not unreasonable to expect the Committee to spend at least 5 to 6 thousand rupees a year on education and this sum should enable them to do all that is at pre-

sent necessary for encouraging Primary Education within the Cantonment limits. It is hoped that the question will be finally settled during the next year.

149. **General.**—During the year under review much lee-way was made in improving the administration and work of the department. Local facilities were created for the training of Anglo-Vernacular teachers, arrangements were made for transferring responsibility for Primary Education to local bodies and a programme for expansion of education was drawn up. With the close of the year the transfer of Primary Education to the Municipal Committee at Ajmer was effected and Government sanction to the expansion programme was also received. Thus free to devote its attention to the expansion of education in rural areas and with funds at its disposal for the purpose, the Department looks forward to a period of marked educational activity in years to come. At the same time the local bodies have been awakened to their sense of responsibility in the domain of primary education and the novelty of the task imposed on them should in itself be a sufficient stimulus to organised effort for popularising education in urban areas. So that the educational outlook in Ajmer-Merwara seems to be exceptionally bright.

SECTION VII.

GENERAL MISCELLANEOUS.

(a) *Pushkar Fair.*

150. The annual religious fair at Pushkar including the Horse and Cattle Show was held from the 15th to 20th November 1927. The number of pilgrims attending it was 30,000. This was fewer than usual probably owing to the prevalence of malaria.

The number of animals brought to the fair and sold was slightly less than that in the previous year as will be seen from the following figures:—

Year.	No. of animals brought.	No. of animals sold.	Sale amount.	Amount of capitation tax realized.
			Rs.	Rs. A.
1925	16,881	8,804	6,55,371	20,560 12
1926	16,646	8,477	6,12,741	20,298 4

Prizes to the extent of Rs. 1,069 were awarded in the various Show classes by the Judging Committee. A silver medal was given by the National Horse Breeding and Show Society of India for the best Country bred horse in the Show.

The Police, sanitary and other arrangements in connection with the fair were satisfactory and no serious crime or case of cattle theft occurred.

(b) *Urs Fair.*

151. The Annual Urs Fair in connection with the shrine of the Dargah Khwaja Moinuddin Chishti at Ajmer was held from the 5th to the 13th January 1927. The number of pilgrims who attended the fair was about 29,000 as against 50,000 last year. The fall in the number was due to the severe cold at the time.

The usual Police arrangements were made. No serious crime occurred and the fair passed off quietly.

(c) *Beawar and Kekri Teja Fairs.*

152. The Annual Teja Fair at Beawar was held on the 17th September 1926. The Fair was attended by about 5,000 persons.

An Exhibition of hand industries and handicrafts was held in connexion with the Fair and the working of improved agricultural implements was also demonstrated.

153. The Teja Fair at Kekri was held from the 15th to the 17th September 1926. The gathering at the Fair was estimated to be about 4,000, which was below the normal owing to the fact that floods rendered many roads impassable. Inter School Sports were again a feature of the Fair.

(d) *Printing presses* (vide *Statement No. 56*).

154. There were 26 printing presses, *viz.*, two more than in the previous year 1925.

The number of newspapers and periodicals was 7 and 17 respectively as compared with 5 and 16 last year.

12 books in English, 90 in Hindi, 2 in Sanskrit, 1 in Prakrit and 20 in more than one language were printed in 1926.

(*e*) *Bhumia's Darbar.*

155. The District Magistrate received the usual Nazrana from the Bhumias on the 5th June 1927 the day fixed for the observance of the birth-day of His Majesty the King-Emperor. The customary inspection of the Bhumias arms and also, in the case of the mounted Bhumias, of their horses was made. In some cases these were found to be unserviceable or badly kept and fines amounting to Rs. 47-8-0 were imposed. Of the total amount of Nazrana due from them, *viz.*, 3,959-0-6 a sum of Rs. 3,928-0-6 was received at the Darbar, the remainder being recovered later.

(*f*) *Rajputana Museum.*

156. The Museum was started in 1907 and is in charge of a Curator appointed by the Government. It is managed by a Committee of which the Commissioner, Ajmer-Merwara, is the *ex-officio* President.

During the year under Report 1 gold, 54 silver and 25 copper coins and 5 antiquities were added to the Museum. 12 inscriptions were copied, and 35 books—14 purchased and 21 received—were added to the Library.

The total receipts including the opening balance of Rs. 1,174-4-8 amounted to Rs. 5,927-2-9. Of this sum the Government contributed Rs. 3,865-15-0 and the local bodies Rs. 858-5-4. The total expenditure amounted to Rs. 4,535-8-6, leaving a balance of Rs. 1,391-10-3.

(*g*) *Treasure Trove.*

157. 56 Chandori coins, 4 Government coins of 1840, and 1 old uncurrent coin covered with rust were found in Sadara estate while the foundations of a new School building were being dug there.

A notification under section 5 (*b*) of the Treasure Trove Act, VI of 1878, was duly published.

The coins were not of any antiquarian interest and were handed over to the Istimrardar of the Estate.

Column 2.—Sub-head "Superior Courts".—Includes cases decided by High Court on reference under Sections 307 and 374, C. P. C.
Column 19.—Includes fines realized during the year, though imposed in previous years. This column is intended to show the realized portions of fines imposed by officers in the exercise of original jurisdiction only.
Column 20.—Represents compensation awarded to complainants under Section 545, Act V of 1898. These awards should also be shown under the head "fines" "imposed" and "realized" in columns 18 and 19, for they form part of such fines.

General.—(1) The total of columns 5, 6 and 11 should correspond with the total of columns 21 to 25 (both inclusive), and the total of column 8 should correspond with total of columns 12 to 17 (both inclusive) and the total of column 9 should correspond with the total of columns 26 to 28 (both inclusive).
(2) This statement is meant to exhibit every sentence passed and, where two penalties are inflicted on the same offender, to exhibit them both. Further to reconcile the number of persons entered in this statement as punished with the number entered as convicted in Statement 4, it is necessary to note cases such as those in which fulfilment of contract is ordered under Act XIII of 1859 in a footnote. As regards persons whose cases were referred for higher punishment or for confirmation of sentence, punishment, if any sanctioned by the higher Court, should be entered against such higher Court and not against the Court making the reference.

N.B.—Columns Nos. 3, 4, 7, 17 and 28 are blank.

Notes.—Column 2.—Total of Columns 3 to 12. Cases transferred from one Court to another *in the same Province* will appear only against the Court by which decided, or in which pending at the end of the year, if not decided.

The words " Applicants for revision " in the heading of this column should be held to include only *accused persons* on whose behalf an application for revision is made, or in whose interest the Magistrate or Judge may take steps to obtain revision on his own motion. Where such application is made, or such steps are taken, on behalf of a *complainant*, the fact should be noted, with the number of complainants concerned, in the column of Remarks. In the latter case, the accused persons against whom the application is made, though not appearing in this column, will fall into their proper places in columns 3 to 13, according to the result of such application. This note is held to apply also to cases dealt with by the High Court, on review of returns.

Column 5.—Appeals dismissed under section 423, C. P. C., should be entered in this column.

Column 9.—Orders of discharge set aside by a Superior Court under section 436 of C. P. C. should be entered in this column.

Column 10.—When a sentence is reversed or proceedings are quashed on appeal, and a new trial or further enquiry is at the same time ordered, the Appellate Court should not fill in column 8 as well as column 10, or column 9 as well as column 10, in each case respectively, but should make the entry in column 10 only.

Column 13.—Duration of appeals, applications for revision, or reference should be calculated thus—

(1) Appeals from date of receipt in Office of the petition of appeal ;
(2) Applications for revision—from the date of application ;
(3) Cases dealt with by the Court otherwise than on application—from the date of the order calling for the records ; and
(4) Cases sent to the High Court by lower Courts for revision—from the date of the letter from the Court making the reference.

General.—Persons whose appeals were rejected under section 421, Criminal Procedure Code, should be included in column 4, in which should also be included applicants for revision whose cases the Courts have refused to submit to the High Court. In columns 5 to 10 should be shown, opposite the sub-heads for Magistrates of District and Courts of Sessions, persons whose cases were disposed of by those Courts without reference to the High Court, and in column 11 all persons whose cases these Courts referred to the High Court.

EXPLANATIONS.

1. *School Year.*—In these tables the school year is assumed to coincide with the financial year, *i.e.*, to extend from April 1st of one year to March 31st of the next, though in actual practice some institutions, *e.g.*, European schools, may close in December and others, *e.g.*, colleges, in May.

2. *Recognised Institutions* are those in which the course of study followed is that which is prescribed or recognised by the Department of Public Instruction or by a University or a Board of Secondary and Intermediate Education constituted by law and which satisfy one or more of these authorities, as the case may be, that they attain to a reasonable standard of efficiency. They are open to inspection and their pupils are ordinarily eligible for admission to public examinations and tests held by the Department or the University or the Board.

3. *Unrecognised Institutions* are those which do not come under the above definition of recognised institutions. They are for the most part indigenous institutions for education of a religious character.

4. *Other sources* include income from endowments, subscriptions, contributions, etc.

5. *Classification.*—In Tables IV-A and IV-B, Class I represents the lowest class in the school, whether called infant class, sub-standard A or Class I. Where the number of school classes exceeds 10 the additional classes should be entered in the spaces left blank below X and numbered for the purposes of this Table XI and XII.

6. *Intermediate colleges and examinations.*—An "Intermediate college" means an institution preparing students for admission to the degree courses of a University or for entrance into vocational colleges. The Intermediate examination means an examination qualifying for admission to a course of studies for a degree.

7. *European scholars* are included in the general summary and General Tables II-A and B, IV-A and B, V-A and B, VIII and IX. The *expenditure* on European Schools is included in the General Summary and General Tables III-A and B.

8. All statistics refer to Recognised Institutions only, except where side-headings for Unrecognised Institutions are entered.
